

# SERVING OPPORTUNITIES

## **PRESCHOOL (Birth-Pre-K)**

There's a whole lot of them and just a few of us. Help a growing ministry provide a place kids love to be. You can serve in Sunday Groups or on Wednesdays at Quest Jr.

## **CHILDREN (K-5th Grade)**

Providing a space for kids to learn about Jesus while parents start their weeks with intention - that's pretty great to be a part of. You can serve in Sunday Small Groups, Live Production, Quest on Wednesdays, Summer Smash, and Special Needs.

## **STUDENTS**

Building a generation requires those with life-experience to invest. Equip and encourage those who will follow after you. You can serve with Special Events or as a Middle School or High School Group Leader.

## **HOST TEAM**

We exist to remove barriers so that others can experience Jesus. With lots of places to serve you can be a Guide, Door Holder, Seater, help with Traffic Control, Guest Services, Golf Carts, or the Walk Food Crew.

## **COMMUNITY GROUPS**

Leading a group doesn't mean having all the answers. It means creating an environment to ask questions. You can serve as a Sunday, Weekly, or College Group Leader.

## **WORSHIP**

Do what you love alongside others who share your same gifts and passions. You can serve in Choir, Orchestra, Worship/Walk Band, Student Worship Band, or KidHeights Worship.

## **COMMUNICATIONS**

If you have experience in photography or video/audio production, or are interested in learning more, we want you on our team.

## **MISSIONS**

We would love to serve with you as we share Jesus both locally and internationally. You can find a complete list of mission opportunities on our website.
